Radikal Ungdom (RU), the Social Liberal Youth of Denmark, hereby proudly nominates Benedikte Kloth as our candidate for the position of Secretary General of the International Federation of Liberal Youth (IFLRY) at the upcoming General Assembly on December 20, 2020.

The board of Radikal Ungdom highly supports the candidacy of Benedikte Kloth to run as Secretary General of IFLRY because of her relentless work for the international engagement of Radikal Ungdom and her commitment to international collaborations. We support her candidacy based on her experience and knowledge gained from her work in Radikal Ungdom's Committee for International Collaborations and her employment for our mother party Radikale Venstre, the Social Liberal Party of Denmark, working with their International Committee.

Benedikte Kloth has successfully held several organisational positions within Radikal Ungdom and excelled with an inclusive, stabile and dedicated work approach. Ms. Kloth has a high focus on intercultural dialogue and best practice sharing. As Secretary General, she aims to facilitate a dialogue process with all Member Organisations as basis for writing a long term strategy for iflry which we believe will be highly beneficial to IFLRY as an organisation.
